Subject: Receipt of MPH alumni Nepal Earthquake 2015 fund

Dear Arjan,

On behalf of the Nepalese alumni of Faculty of Public Health, I would like to extend our gratitude to the faculty for the kindness, love and generosity bestowed on us during these times of despair in Nepal.

This is to confirm that on this day of 24th July 2015, I have duly received from the honorable Dean of the faculty, a sum of 100000 Baht (One hundred thousand Baht) as the fund for support to Nepalese MPH alumni who have been affected by the recent high magnitude earthquakes in Nepal. I shall provide the fund at the earliest possible to the two alumni that have been identified as the most affected- Mr. Shreehari Acharya (2010 alumnus) and Mr. Shreejeet Shrestha (2013 alumnus). They shall provide you with a letter of acknowledgement after they receive the financial support.

Thank you for your kind support and continuous motivation.

Yours' Sincerely,

Manash Shrestha

M.P.H. (2013 Batch)
